Rate structure for Cherokee:

First 2 Hours at \$2 per hour (pegged due to a current pilot program)

\$2 per 15 minutes thereafter

\$12 flat rate from 6 pm to 6 am

\$16 daily maximum rate

\$144 monthly parking fee

DOT is conducting its review and evaluation on the parking rate structure and is scheduled to present a 5-year recommendation to the BOTC that will cover from January 2017 to December 2021.

It sounds like Express Park (demand-based pricing) is slated for this fiscal year in Venice and I have reached out to DOT for more info.
